

House Resolution No. 3037

Whereas, it is a privilege afforded the members of the Missouri House of Representatives to be given the opportunity to recognize those educational institutions which have shown remarkable devotion and commitment to the preservation of our great state by preparing our young citizens to accept the monumental responsibilities they will inherit; and

Whereas, the week of May 2 through May 8, 2004, was celebrated as the 20th Annual National PTA Teacher Appreciation Week at Grace Early Childhood and Education Center in the Belton School District as well as across the state of Missouri and throughout the United States; and

Whereas, it is known that a strong, effective system of public education is essential to our system of government; and

Whereas, Missouri's school districts should be accorded high public esteem, reflecting the value the community places on public education; and

Whereas, Grace Early Childhood and Education Center is an extraordinary educational institution which proudly serves students throughout the Belton community; and

Whereas, since 1984, the National PTA has encouraged families, schools, and communities nationwide to show appreciation for their dedicated, hardworking teachers during Annual Appreciation Week:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously in extending our most hearty congratulations to Grace Early Childhood and Education Center at this recognition of outstanding dedication and in expressing our profound gratitude as Grace Early Childhood and Education Center continues to prepare our children to meet the challenges of the future; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Grace Early Childhood and Education Center.
